

03/09/2026 - NOTES

1. The meeting started at 19:34
2. Dave and Luke tested PCs and they still cannot use for Winlink. IT still needs to update.
3. Are we still supporting Loanstar SafetyFest on Oct 3, 2026?
4. The FBC Expo is scheduled for May 9, 2026 at the FBC Fairgrounds, EMROG will participate.
5. There was discussion about the van for Field Day. There still has not been a request.

6. The EMROG van is out of commission. Repairs are being performed to repair the damaged caused by wind lifting the awning.
7. Hidrovo will post the charging procedures in the EMROG van to eliminate confusion.
8. Hidrovo has 24 Rapid Radios.
9. We need to take the van out to check comms per memo. Need clarification on what to do with the AM radios (remote transmitters charge trailers) and the 5 test point locations for item 3.
10. As a reminder, 214 forms will need to be filled out for all actions.

11. Dave will give GMRS requirements to Hidrovo.
12. Hidrovo will check on the tower climb, \$ were committed.
13. The EMROG county website needs to be added with contact information.
14. The HF power supply still needs to be replaced, there should be one in storage.
15. Still waiting on legal to validate the EMROG application.

16. Berris gave an overview of Meshtastic.
17. The meeting ended at 20:46

Send any additions, updates or corrections to me, these items are from my meeting notes.
